

**USS** specialises in the carriage and Fashion logistics to Garments, Accessories, Leather goods & Textiles industry.

Fashion is the definition of a fast moving industry. Lead times, accuracy, availability and reliability are all of critical importance. Supply chains are extended and complex, far and wide.

Our fashion logistics solutions give you greater control of your supply chain. You'll be positioned to make better decisions earlier, and respond more quickly to changing consumer demand, with more agile and transparent, helping you reduce lead times, inventories and associated storage costs.

Our tailor-made services address the special requirements of the industry and ensure products reach the consumer on time.

Our Key Fashion Logistics services:

- Vendor management and buyers consolidation
- Garments on Hanger (GOH)
- Special Handling at Source (SHAS)
- Direct to store
- Customs and duty management

We hope you find our fashion solutions interesting and encourage you to send us an inquiry.

With Best Regards, Met vriendelijke groeten, Sincères Salutations
