Our Home Antwerp city

global logistics

History

United Shipping services Bvba / sprl were established as a European branch office of United Shipping services Pvt Ltd .India in 2004.

It functions as an independent Belgian freight forwarder registered in Antwerp and primarily positioned to serve ASIA – BENELUX trade route.

Since 2014 we are part of Belgium shipping and freight forwarding group ANEX BV. Herewith a brief presentation of the different services we are able to offer you.

ROAD / BARGE RAIL TRANSPORT

Road / Rail/Barge to U.K, Ireland, Germany
,France, Portugal & Nederland

We offer **different departures on a daily / weekly basis** to and from various regions in the U.K. and Ireland, the main economical centres in RHINELAND Germany, to Pantin/Paris and the northern French departments.

Customs clearance :

We ensure **arrival day customs clearance and next day delivery** for Belgium customers and arrival day transit documentation and next day on-carriage with fiscal representation to other European destinations.

We organise export customs clearance and documentation for Belgium and Eu customers using Antwerp port and Brussels airport for their international export consignments.

Order wise delivery planning:

We follow up each **order with your suppliers using our own / partner offices near your supplier.**

We send you "Booking advice" for each pick up with choice of carriers / rates / delivery dates for your final shipping approval.

SEA TRANSPORT

SEA/AIR TRANSPORT

This department organises all your overseas consignments via a worldwide network of OWN offices and agents.

Our **OWN offices in India** and **partners in Far East, China, USA** ensure commitment, flexibility and expertise in control of your transport with a professional and personal service.

Today, our company is specialised in **Eu - India - Far East - China - USA transport.**

- We daily organise shipping to / from above regions.
- Our offices near your suppliers shall order wise follow up your goods and door delivers them with a wide choice of cost and schedule.

What else do we have to offer you:

- Best Pre Shipment cost and delivery planning for each booking.
- Guaranteed space, connection and immediate door delivery on arrival.
- Service Contract rates and space to ensure best cost and transit.
- Quality control of your transport from Factory up to your store.

How do we do it :

- Own offices / teams at all major port / airport and inland centres.
- Standard communication, procedures and documentation system.
- Direct Management quality control and responsibility.
- Our large volume/ many offices makes as a "Priority forwarder".
- Constant customer visits and New Own Offices in emerging markets.

INDUSTRIAL MARKET

Logistic solutions for manufacturers of industrial components, heavy equipment, building products, paper, and packaging.

AIR TRANSPORT

Same service and same network.

In order to assist our customers with their airfreight consignments, links have been established to guarantee the customer a professional support in the main Belgian airports Antwerp and Brussels.

As an IATA agent operating in 6 major airports we control a large volume of air traffic giving our customers a wide choice of carriers / prices and delivery schedules.

Our air bookings have assured space per flight, discounted freight rates, prior connection with upgraded services.

We look forward to provide our tailor-made service to you in the near future.
